Dear Sir

Re: Tariff Classification Opinion - Kesar Mango Pulp

Reference is made to your application for Tariff Classification opinion on the above product.

After perusing the literature and sample of the can pack mango pulp, we have established that the description of the item is appropriately classified under the heading 20.08

The Kesar Mango Pulp is a sweet golden pulp, inner fleshy yellow derived from mangoes. The ingredients are Kesar mangoes, sugar syrup and citric acid, which is widely used in preparing juices, drinks, nectars, etc.

Thus In our opinion mango pulp shall be appropriately classifiable under **HS 2008.99.00**
