Dear Sir,

Re: Tariff Classification Opinion on Rice Wine

We refer to your application for tariff classification opinion on the above item which was lodged by your agent On Time Investment Agency.

According to the specification and Samples submitted, Rice Wine is an alcohol substance containing alcohol strength of 45% as such can't be considered as wine. However, the mentioned rice wine falls under heading 2208.30.20 where alcohol strength exceeds strength of 11.049% but not exceeding 57.12%

In our opinion Rice Wine appropriately classifiable under **HS 2208.30.20**

We hope that above clarifies your doubt of a mention commodity and for any clarification please liaise with Tariff and Trade Section, Suva. Please make an arrangement to collect the sample that was forwarded with your application.

Yours faithfully,

Asenaca Naucukidi
