Dear Sir,

Re: Tariff Classification Opinion on Super Fade Cream

We refer to your application for tariff classification opinion on the above commodity which was lodged by your company.

According to the specification and Samples submitted, super fade Cream is a uniquely formulated pigmentation fading cream used to remove marks on the skin such as age spot, freckles and skin blemishing.

Furthermore, super fade cream are often sold in pharmacy outlets which do not require doctors prescription.

In our opinion the above commodity appropriately classifiable under HS 3304.99.00

We hope that above clarifies your doubt of a mention commodity and for any clarification please liaise with Tariff and Trade Section, Suva. Please make an arrangement to collect the sample that was forwarded with your application.

Yours faithfully,

Robeen R Chand
