Dear Sir

RE: Tariff Classification Opinion – Mr Chips

We refer to your application for Tariff Classification Opinion on Mr Chips.

According to the sample provided the product Mr Chips is triangular shaped chips which contains ingredient such as corn, vegetable oil, flavours, salt, sugar, cheese, buttermilk etc. The product is made from dough, cut into shape and fried in oil thus falls under heading 1905.

In our opinion the product Mr Chips is appropriately classifiable under Tariff item 1905.90.90

I hope above clarifies any doubt regarding the classification of Mr Chips. Please make arrangement to have the sample uplifted from our office.

Yours faithfully

Shabana Bibi

for Chief Executive Officer
