Dear Sir,

Re: Tariff Classification Opinion on 3M Tattle Tape DC2 Security Sticker

We refer to your application for tariff classification opinion on the above item which was lodged by your company on behalf of your client Graphic Equipment.

We have examined the sample submitted and found that the 3M tattle tape DC2 is made in a disc shape. It is made up of plastic to which attached is two small strips overlaying with protective adhesive paper backing. The paper backing is removed when plastic stickers are pasted on the disc which then enables the system to provide management and security of the goods.

In our opinion 3M Tattle Tape DC 2 Security Sticker is appropriately classifiable under Tariff Item 8531.90.00. The effective date of this classification opinion shall be the date of this letter.

I hope above clarifies any doubt regarding the classification of the above product.

Yours faithfully

Shabana Bibi
