Dear Sir

Re: Tariff Opinion - Bar Refrigerator

We refer to your application for tariff classification on the above item which was lodged by your company on behalf of your client Total Cool Refrigeration / Air-condition and Electrical Services.

We have examined the sample submitted and found that the Bar Refrigerator is a dynamic cooling refrigerator with a stainless steel counter top electronic cooler. It has a cooling system and a capacity to hold beverages. These units have stainless Steel tops with 3 vertical doors. Similar to refrigerator of heading 8418.

In our opinion Bar Refrigerator are appropriately classified under Tariff item **8418.50.90**. The effective date of this classification shall be the date of this letter.

I hope the above clarifies Tariff Classification opinion on the above product.

Yours faithfully
