Dear Sir,

Re: Tariff Classification Opinion on Barge

We refer to your application for tariff classification opinion on the above item which was lodged by your company on behalf your client Vunabaka Bay Fiji Limited

According to the specification and pictures submitted landing Barge is made of Alloy with flat surface and a capacity of ten tonnes of load. The landing barge will be used for transportation of both goods and passengers.

In our opinion Barge for transportation of goods and people is appropriately classifiable under Tariff Item 8901.90.00.

The Ruling is in accordance to General Interpretive Rule 1 and 6.

I hope the above clarifies Tariff Classification opinion on the above commodity.

Yours faithfully,

Robeen R Chand
