Dear Sir

**Re: Tariff Opinion - Beetle Beta**

We refer to your application for tariff classification on the above item which was lodged by your company on behalf of your client Goodman Fielder Int'l.

According to the pamphlets and information provided Beetle Beta is an insecticide which is used to eliminate litter beetle in poultry sheds and other stored product pests.

In our opinion Beetle Beta are appropriately classified under Tariff item **3808.91.90**. The effective date of this classification shall be the date of this letter.

I hope the above clarifies Tariff Classification opinion on the above product.

Yours faithfully
