Re: Tariff Classification Opinion – Bulk Crude Super Degummed Canola Oil

We refer to your application for tariff classification opinion for Bulk Crude Super Degummed Canola Oil on behalf of your client Goodman Fielder (Fiji) Ltd.

According to the information provided Degummed Canola Oil is made from Canola Seeds. The product will be used for inclusion in animal feed especially for chicken feed.

In our opinion the Bulk Crude Super Degummed Canola Oil is appropriately classifiable under Tariff item **1514.11.00**

I hope the above clarifies your doubt regarding classification of the above product.

Yours faithfully

Monika Anand
