Dear Sir,

**RE : Revised Tariff Classification Opinion – Cat 5 Data cable.**

We refer to your application for tariff classification opinion and our subsequent reply regarding tariff opinion on Cat 5 Data Cable, lodged on behalf of your client Universal Electronics.

We have re examined the sample and found that the sample submitted is not a coaxial cable , its a cat 5 data cable ,insulated and having various thin wires inside ,hence used for data synchronizing . It's blue in color and measuring approximately one meter in length and fitted with connectors.

In our opinion Cat 5 data cable is appropriately classifiable under 8544.20.00. The effective date of this classification opinion shall be the date of this letter.

This ruling supersedes our previous ruling that was given vide our letter dated 09 November, 2010. Copy of the letter is attached.

Yours faithfully

Rishi Deo
