Dear Sir

**Re: Tariff Classification Opinion - Condensing Unit**

We refer to your application for tariff classification opinion on Condensing Unit.

After perusing the catalogue and other documents provided, we have established that condensing unit is ideal for industrial cool rooms and other refrigeration equipment.

In our opinion the DWM Copeland 5.OHP S/N AL2 91992 is appropriately classifiable under tariff item 8418.69.90.

Yours faithfully,

J. Singh
