Re: Tariff Classification Opinion – Freezer Container

We refer to your application for tariff classification opinion for Freezer Container.

According to the catalogue provided this is a container made to transport goods by road or sea. It is fitted with a refrigerating unit to preserve the perishable goods.

In our opinion the Freezer Container is appropriately classifiable under Tariff item **8609.00.00**

I hope the above clarifies your doubt regarding classification of the container.

Yours faithfully

Monika Anand
