Dear Sir,

Re: Tariff Classification Opinion on French Fries

We refer to your application for tariff classification opinion on the above item which was lodged by your company on behalf of your client Goodman Fielder Ltd.

We have perused the process of manufacture and other documents submitted together with the application. The process used in manufacture of this product is that the strips are pre cooked in hot water blancher, par fried in oil, excess oil is removed and heat from frying is removed by air being blown over the hot strips prior to freezing.

In our opinion French Fries is appropriately classifiable under Tariff Item **2004.10.00**. The effective date of this classification opinion shall be the date of this letter.

I hope the above clarifies Tariff Classification opinion on the above product.

Yours faithfully

Monika Anand
