Attention: Suresh Chandra.

Dear Sir,

Re: Tariff Classification Opinion on Linear Low Density Polyethylene Stretch Film (LLDPE).

I refer to your application for tariff classification opinion on the above mentioned subject goods.

After a careful scrutiny of the sample and product data submitted by you, we are of the opinion that the ETILINAS LL0209SA film being a linear low-density polyethylene stretch film of plastic will appropriately be classified under *HS Code 3920.10.90*.

I hope the above decision clarifies your doubt. For further information please contact the undersigned.

Yours faithfully,

G Naiker
for Chief Executive Officer
Fiji Islands Revenue & Customs Authority.
