Dear Sir

Re: Tariff Classification Opinion – Petri Dish

We refer to your application for tariff classification opinion on petri dish on behalf of your client Medica Pacifica (South Pacific) Ltd.

According to the sample provided it is a small cylindrical dish with lid. It is made of clear plastic material used by researchers in the laboratory for storage of samples.

In our opinion the petri dish made of plastic is appropriately classifiable under Tariff item **3923.90.00**

I hope the above clarifies your doubt regarding classification of the above product.

Yours faithfully

Inayat Hussain
