Dear Sir,

Re: Tariff Classification Opinion on Pontoon Structures

We refer to your application for tariff classification opinion on the above item which was lodged by your company on behalf your client Vunabaka Bay Fiji Limited

According to the pamphlets and pictures submitted, Pontoon Structures is a heavy duty floating stages used at the Marina and docking stations for entering and disembarking of passengers and crews from the yachts and vessels.

In our opinion Pontoon landing structures is appropriately classifiable under Tariff Item 8907.90.10.

The ruling is in accordance to General Interpretive Rule 1 and 6.

I hope the above clarifies Tariff Classification opinion on the above commodity.

Yours faithfully

Robeen R Chand
