Dear Sir

Re: Tariff Classification Opinion – Printed Advertising Signage

We refer to your application for tariff classification opinion on printed advertising signage on behalf of your client Tappoo Ltd.

According to the sample provided the advertising signage made of paperboard is for advertising tip top products made in New Zealand. The trade advertising materials fall under heading 4911.

In our opinion the printed signage advertising foreign products is appropriately classifiable under Tariff item **4911.10.90**

I hope the above clarifies your doubt regarding classification of the above product.

Yours faithfully

Rishi Deo
