Dear Sir

Re: Tariff Classification Opinion – Cabinet for Server

We refer to your application for tariff classification opinion on 'Cabinet for storage of Server' which you have lodged on behalf of your client 'Telecom Fiji Ltd.'

According to physical inspection, this is a metal cabinet with a door which is lockable and all the sides of the cabinet are covered with a slight opening at the back. At the time of importation it is presented as cabinet and as such it is appropriately classifiable under 9403.20.00

We hope the above clarifies your doubt, and should you need further information you may contact Tariff & Trade Section.

Yours faithfully

Noa Buredua
