Dear Sir

Re: Tariff Classification Opinion – Subli- Trans Pro 9880 Printer

We refer to your application for tariff classification opinion for *Subli- Trans Pro 9880 Printer* that, you have submitted on behalf of your client – Universal Productions Ltd.

After sighting the instruction manual, technical data and physical inspection of the item, we have concluded that the device accepts data from the computer and then projects images by way of ink jet printing. It has provision to be connected to the computer.

In view of the above information, in our opinion *Subli-Trans Pro 9880 Printer* is appropriately classifiable under tariff item 8443.32.00.

We hope the above decision clears your doubt and for any clarification please liaise with our Tariff and Trade Division, Suva.

Thank you

Yours faithfully
