Dear Sir

Re: Tariff Classification Opinion Twin Cab for dual purpose vehicle

Reference is made to your application for tariff classification opinion on twin cab.

According to information provided you intend to import a cab for a twin cab vehicle, made of metal as per photograph submitted. The construction unit without engine, suspension, chassis, and gear box and without tray will be imported as spare parts for construction, mounting on a chassis of identical type of vehicle.

With the application of Interpretative Rule 1, in our opinion it is classifiable under tariff item 8707.90.12.

Yours faithfully

Rishi Deo
