Dear Sir

Re: Tariff Classification Opinion – Fortisip food supplement

We refer to your application for tariff classification opinion on fortisip on behalf of your client Tappoos Limited

According to the catalogue, literature and sample provided the fortisip is put up as food management supplement. It is ready to drink milk shake style nutritional supplement which can be used to supplement the diet of patients unable to meet their requirements from other foods or used as sole source of nutrition to maintain general health or well being.

In our opinion fortisip is appropriately classified under Tariff item 2106. 90.90.

I hope the above clarifies your doubt regarding classification of the above product.

Yours faithfully

Rishi Deo

For Chief Executive Officer
